The diagram illustrates a responsive screen design with a total width of 1024px. The layout is organized into a grid with the following specifications:

- Offset:** 47px
- Gutter:** 30px
- Column:** 50px
- Grid Unit:** 80px

The layout consists of the following components:

- Logo:** A large image at the top left with a bounding box of approximately [10, 10, 120, 200]. It includes descriptive text: "image size: 128px by 140px" and "image ratio: 32 : 35".
- Contact Information:** A section containing "Text" and "ALBERT HUANG" with a bounding box of approximately [120, 10, 200, 100].
- Text Input Fields:** A row of three input fields labeled "NAME", "EMAIL", and "SUBJECT" with a bounding box of approximately [200, 100, 350, 150].
- Message Text Area:** A large text area labeled "MESSAGE" with a bounding box of approximately [350, 100, 400, 150].
- Captcha:** A CAPTCHA input field with a bounding box of approximately [600, 100, 650, 150].
- Text Area:** A text area labeled "ABC" with a bounding box of approximately [650, 100, 700, 150].
- Submit Button:** A large button labeled "SUBMIT" with a bounding box of approximately [700, 100, 750, 150].
- Social Media Icons:** Icons for Twitter and LinkedIn located in the top right corner with a bounding box of approximately [850, 100, 950, 150].
- Text Area:** A text area labeled "Text" with a bounding box of approximately [850, 750, 950, 800].
